

Enquiries and Appeals - Enquiry about results application form

Student consent form

Information for students:

If you make an enquiry about the result of one of your examinations or assignments after your subject grade has been issued, there are two possible outcomes:

Your original mark

- Is confirmed as correct, and there is no change to your grade.
- Is changed, so your final grade may be higher or lower than the original grade you received.

In order to proceed with the Enquiry About Results, you must sign the form below. This tells The Irish School of Reflexology & Wellness that you have understood what the outcome might be, and that you give your consent to the Enquiry About Results being made.
